2019 IAHSS Foundation Crime Survey (US)

Welcome to the IAHSS Foundation Healthcare Crime Survey (US). We appreciate your participation.

Early Access: Aggregated (non-specific) data from the Healthcare Crime Survey will be shared with the public via the [IAHSS Foundation website](#). We will provide all respondents who provide their contact information (see our note on Confidentiality below) with early access to the Healthcare Crime Survey Results. We appreciate your support!

Confidentiality: This is a confidential survey. Responses will not identify any participants by location, name, etc. Your data will not be released outside the IAHSS Foundation.

Instructions

- 1. If you are responding for more than one hospital, please complete one survey for each hospital**
- 2. The first 11 questions require an answer. The remaining questions are optional. Please review the crime definitions carefully. The Healthcare Crime Survey uses federal crime definitions from the FBI which may vary from state definitions.**

Contact: Should you have any questions, please contact Karim Vellani at kv@threatanalysis.com.

2019 IAHSS Foundation Crime Survey (US)

Violent Crimes, Assaults, and Property Crimes

* 2. UCR Definition (US): Murder and Nonnegligent Manslaughter (Criminal Homicide) - The willful (nonnegligent) killing of one human being by another.

How many Murders occurred at your hospital in 2018?

- * 3. UCR Definition (US): Rape - The carnal knowledge of a male or female forcibly and against his/her will. Note: Sexual intercourse or other forms of sexual penetration is an essential element of carnal knowledge. Do not include any sexual assaults that do not include intercourse or other penetration.

How many Rapes occurred at your hospital in 2018?

- * 4. UCR Definition (US): Robbery - The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear. Examples: car-jacking, purse snatching from a person. Note: Robbery should not be confused with larceny-theft or burglary as defined below.

How many Robberies occurred at your hospital in 2018?

- * 5. UCR Definition (US): Aggravated Assault - An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

How many Aggravated Assaults occurred at your hospital in 2018?

- * 6. UCR Definition (US): Other Assaults - An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness. To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack (e.g., intimidation).

How many Other Assaults occurred at your hospital in 2018?

- * 7. UCR Definition (US): Burglary - The unlawful entry of a structure to commit a felony or a theft. Examples: burglary of the pharmacy after-hours; burglary of a physician's office or clinic. Note: This does **not** include burglaries of vehicles (vehicles are not structures).

How many Burglaries occurred at your hospital in 2018?

* 8. UCR Definition (US): Theft (except motor vehicle theft) - The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Examples: shoplifting from the gift shop. Note: Please include all thefts from motor vehicles, but **not** the theft of the vehicle itself (see below).

How many Thefts occurred at your hospital in 2018?

* 9. UCR Definition (US): Motor Vehicle Theft - The theft or attempted theft of a motor vehicle. Note: Please do not include thefts from motor vehicles, only thefts of the entire vehicle.

How many Motor Vehicle Thefts occurred at your hospital in 2018?

* 10. UCR Definition (US): Vandalism - To willfully or maliciously destroy, injure, disfigure, or deface any public or private property, real or personal, without the consent of the owner or person having custody or control by cutting, tearing, breaking, marking, painting, drawing, covering with filth, or any other such means as may be specified by local law.

How many Vandalism events occurred at your hospital in 2018?

* 11. UCR Definition (US): Disorderly Conduct - Any behavior that tends to disturb the public peace or decorum, scandalize the community, or shock the public sense of morality. The FBI includes Disturbing the peace, Blasphemy, profanity, and obscene language with Disorderly Conduct. Examples: public intoxication, disturbing the peace, loitering, foul language, obscene gestures, unreasonably loud commotion or noise.

How many Disorderly Conducts occurred at your hospital in 2018?

Use of the Workplace Violence Typology

This section is **OPTIONAL** and can only be answered if your hospital collects and maintains data using the Workplace Violence Typology:

Workplace Violence Type 1: Violent acts by criminals, who have no other connection with the workplace, but enter to commit robbery or another crime.

Workplace Violence Type 2: Violence directed at employees by customers, clients, patients, students, inmates, or any others for whom an organization provides services.

Examples: patient-on-staff; visitor-on-staff; verbal assaults, threats

Workplace Violence Type 3: Violence against coworkers, supervisors, or managers by a present or former employee.

Examples: physician-on-nurse; employee-on-employee

Workplace Violence Type 4: Violence committed in the workplace by someone who doesn't work there, but has a personal relationship with an employee—an abusive spouse or domestic partner.

12. Does your hospital maintain statistics using the Workplace Violence Typology?

- Yes
- No

Workplace Violence Breakdown: Aggravated Assaults and Assaults

This section breaks down Workplace Violence Aggravated Assaults and Assaults (Other)

UCR Definition (US): Aggravated Assault - An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

UCR Definition (US): Other Assaults - An unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration, or loss of consciousness. To unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct, but without displaying a weapon or subjecting the victim to actual physical attack (e.g., intimidation).

Workplace Violence Type 1: Violent acts by criminals, who have no other connection with the workplace, but enter to commit robbery or another crime.

Workplace Violence Type 2: Violence directed at employees by customers, clients, patients, students, inmates, or any others for whom an organization provides services.

Examples: patient-on-staff; visitor-on-staff; verbal assaults, threats

Workplace Violence Type 3: Violence against coworkers, supervisors, or managers by a present or former employee.

Examples: physician-on-nurse; employee-on-employee

Workplace Violence Type 4: Violence committed in the workplace by someone who doesn't work there, but has a personal relationship with an employee—an abusive spouse or domestic partner.

13. In 2018, how many **employees** worked at your hospital? As this number may fluctuate, please provide the highest number of employees during the year.

14. How many **Type 1 Aggravated Assaults** occurred at your hospital in 2018?

15. How many **Type 2 Aggravated Assaults** occurred at your hospital in 2018?

16. How many **Type 3 Aggravated Assaults** occurred at your hospital in 2018?

17. How many **Type 4 Aggravated Assaults** occurred at your hospital in 2018?

18. How many **Type 1 Other Assaults** occurred at your hospital in 2018?

19. How many **Type 2 Other Assaults** occurred at your hospital in 2018?

20. How many **Type 3 Other Assaults** occurred at your hospital in 2018?

21. How many **Type 4 Other Assaults** occurred at your hospital in 2018?
