IMPORTANT: Our on-site technical team will load the next available participants and will not pause the event so that participants can go at an exact time, alongside someone on the other rope, or on a specific rope (sponsored rope for example). It is recommended that the registration time is given and that participant understands that they will rappel sometime within that hour-hour and a half. Weather, fast/slow edgers, etc can affect the flow of the day.

- Blue = GoPro Level Achieved!
- Green = Minimum Fundraising Level Achieved!
- Yellow = \$250 - \$999 Raised
