From GSP: "The Governor's Scholars Program strives to enhance Kentucky's next generation of civic and economic leaders. Established in 1983, the program provides academic and personal growth through the balance of a strong liberal arts program with a full co-curricular and residential life experience. Students must complete an application and compete with others from across the state. Those selected attend the program free of charge."

Covington Catholic is also proud to announce that the following students have been accepted to the 2019 Kentucky Governor's School for the Arts:

From the Kentucky GSA website: “Every summer for the past thirty years, GSA and our faculty of professional artist/educators have guided over two hundred of Kentucky’s finest young artists through three weeks of incredibly intense (and incredibly fun) arts instruction. GSA auditions promising high school sophomores and juniors in nine different arts disciplines: Architecture+Design, Creative Writing, Dance, Drama, Instrumental Music, Musical Theatre, New Media, Visual Art and Vocal Music. For three solid weeks, the students live, breathe, eat and sleep the arts. It’s a thrilling, often life-changing experience, as they meet new friends, explore their creativity, and discover new things about who they are and who they can be in the future.”

Three additional students were named as alternates: Christopher Stegman- Visual Art; Garrett Kirpes- Visual Art; John Lawrie- Piano.

The 2019 GSA program will be held this summer at University of Kentucky.
