Dear St. Joseph Parishioners and School Families:

This past year in 2019 we celebrated the 100th anniversary of our parish festival. This makes our festival one of the largest and longest running festivals in the Northern Kentucky area. This huge accomplishment could not have been achieved without the hard work of a great many volunteers throughout the years.

The festival is also one of the largest fundraisers for our parish and helps support a great number of ministries, while helping to keep tuition costs as low as possible. Although labor intensive, we undertake the festival efforts every year to help spread “Fun, Food and Fellowship” to the parish and the entire surrounding community.

Moving into our 101st year, the parish festival and its future is in need of your support. A number of long time festival committee team members have retired their posts and as a result, we have several very key and strategic open positions on the festival committee which need to be filled. The open roles are: Sponsorship, Bid-n-Buy, Signage, PR & Marketing, Warehouse Manager, and assistants for Kids Games, Family Games, and Entertainment. These are vital positions that need to be filled in order for the planning of the festival to continue!

For more information on these roles or if you are willing and interesting in volunteering and committing your time toward our festival, please reach out to Festival Chair **Matt Zeck** or Co-Chair **Craig Schmidt** at the contact details below.

Thank you
