

Virginia Rural Broadband Coalition

PARTNERSHIP PROGRAM

Partner with VRBC to help build a voice for rural broadband deployment in Virginia

2019

LET'S WORK TOGETHER TO DELIVER RURAL BROADBAND

VRBC—The Virginia Rural Broadband Coalition wants to partner with you in serving rural broadband expansion across the Commonwealth. Our Coalition is looking for solutions to provide rural broadband access to every corner of Virginia. Become a partner of VRBC to ensure every Virginian gets broadband access.

The focus of Virginia Rural Broadband Coalition is to:

- **Champion efforts to connect rural Virginians to the Internet (business, government and residential customers)**
- **Educate national, state and regional officials about success stories in Virginia that are being deployed to connect rural communities**
- **Identify funding pools for greater deployment of broadband in rural Virginia**
- **Engage business and civic leaders as champions for coalition initiatives**
- **Educate Coalition members on broadband types that can be provided in rural Virginia**

ABOUT US

Virginia Rural Broadband Coalition members include business, government, electric cooperative and education leaders. Erv Blythe, *Vice President Emeritus for Information Technology & CIO of* Virginia Tech (Retired), states that "*to compete in today's global economy, rural Virginia must have access to reliable and fast internet services, otherwise* ***we are not in a position to keep much less attract businesses and families to our rural regions of the Commonwealth."***

With the leadership of the VRBC, General Assembly and the Governor's Administration, along with the investments in communities, businesses, and infrastructure, rural Virginia can continue leading the way - strengthening the Commonwealth's economy, small towns and rural communities.

MISSION: OUR CORE PURPOSE

To serve as a unified voice for rural broadband deployment
