

2017 - 2018 Sibling Enrollment Starts Now!

October 3, 2016

Dear Parents:

Each year, when considering new students for acceptance, Clear Water Academy gives priority to siblings of current students. If you wish to enroll a sibling at Clear Water Academy for the 2017/2018 academic year, please ensure that you submit a completed Application Form, including the requested documents and the \$200.00 Application Fee by no later than **2:00 pm on Friday, October 21st, 2016**. Applications received after this date will not be given priority, so we encourage you to apply before or by the deadline.

Application forms and information are available on our website by clicking [here](#). The required fee should be submitted with your application or paid online via [PLASTIQ](#) if emailing your application to us.

Again, siblings will receive priority only up until the Friday, October 21st deadline. Applications received after the deadline will be processed with other new applications on a first-come, first-served basis.

Payments for new students will be added to your family's Enrollment Agreement during re-enrollment in January 2017. Integral Formation Fees for the 2017-2018 school year will be announced in November 2016.

If you have any questions, please call the Admissions Office at 403-240-7916 and we will be happy to assist you!

We strongly believe the key to successful lifelong learning is a solid foundation in the early years. Having certified teachers in both our Junior Kindergarten and Kindergarten programs ensures that foundation will be in place.

I know many families have been anxiously waiting to have their other children join our Clear Water Academy family. We look forward to welcoming all of our new students next fall!

Sincerely in Christ,
