

ELEMENTARY COMMUNICATION

April 17, 2020

Welcome Back Elementary Families!

I hope you had a wonderful and blessed Easter. On Monday, we are back to school! Although the break was much needed, we are looking forward to getting back into learning and routines! We are also looking forward to connecting with you and your children! We are definitely missing the opportunities to meet in person, so we will work to find other ways to connect.

Elementary will continue with a similar format as prior to the break. Please look for an email from your teacher(s) on Monday morning at 8:30. As we delve further into the options that are afforded to us through technology, please be letting us know how we are doing and how you are doing. Technology can be a gift, but it doesn't come without its own set of challenges, and we need to understand how to best support you. We understand each family dynamic is unique and changing, so we are working under an umbrella of flexibility!

Our Clear Water Family is very special. I encourage you to continue keeping in touch with one another and to check out the Instagram pages and other virtual opportunities to be together. Please don't hesitate to be in contact if you need anything and do keep sending pictures of your children's learning at home. Seeing their smiling faces is a blessing for us and reminds us of our calling to teach at this wonderful school!

Many blessings to you all!

Lori Blais
Director, Education and Formation - Elementary
