- Select the “My Account” tab, which you’ll find by clicking on “Welcome *your name*” at the top right of the screen.
- Select the “Start School Enrollment” tile.
- The name(s) of your child(ren) will be displayed. Select the appropriate grade for the child from the dropdown.
- On the next screen you will see the selected grade with the box next to it automatically checked. Click “continue” at the bottom of the page.
- You’ll be brought to the enrollment form(s). There will be one for each child. If you registered a child last year, the form will contain the information you entered at that time. You can update it as appropriate. When you’re finished filling out the form(s), select the “Continue to” tab at the bottom of the page.
