... with the Reverend Denny Moon (former pastor of First Church of Christ, Congregational in Glastonbury) and Macy Reid (fellow parishioner) regarding the logistics associated with summer service trips. Several pastors and laity from the urban and suburban Greater Hartford area joined with them and agreed that there was a great variety of work that needed to be done locally – together.

Macy Reid, the backbone and catalyst of our first camps, passed during the summer of 2006. However, we continue to honor her memory with an annual award. The Macy Reid Award is given to campers who displayed her deep faith in God, passion for compassion, a sense of humor even in tough times, a strong sense of justice and a willingness to work very hard toward a shared goal.
