

**INSTRUCTOR:**  
Greg Nartker

Greg Nartker is an Ergonomist who has been with BWC for 16 years. He also has 15 years of experience in outpatient physical therapy with a concentration in transitional return to work, physiological testing, and ergonomics. Greg has a master's degree in exercise physiology from Ohio University.

## Safe Patient Handling – Policy and Tools

**11:00 a.m. - 12:00 p.m.**  
**March 22, 2022**

An Ergonomic and Safe Patient Handling (ESPH) program aims to decrease the frequency and severity of overexertion and cumulative trauma disorders. In this webinar you will learn strategies for the revision and implementation of an ESPH program. Examples of policies, forms, and tools will be provided to assist with the enhancement of your current program or the development of a new one.

\* BWC is accredited by IACET to offer 0.1 CEUs for this webinar. Completion of this webinar also qualifies for a variety of BWC discount program credits based on employer participation.

- To receive online training credit for BWC programs, provide a BWC policy number during registration, attend the whole session, and pass the knowledge assessment.
- When your registration is complete, you will receive a confirmation email with instructions for joining the webinar. It is recommended you click the link within your email approximately five minutes before start time.
