

Thrift House of the Episcopal Church Women - Chapel Edition

June 2019

Volume 2 Number 3

Volunteers are just ordinary people with extraordinary hearts. They offer the gift of their time to teach, to listen, to help, to inspire, to build, to grow, to learn.

Things to Come

A Volunteer is a listener, an encourager, a leader, an example, a friend.

Every Thing We Do Is Ministry

Our primary message this year is "To Love Our Neighbor as Ourselves". Let's make a great effort this year to be God's example for loving others as God loves us.

Sales

We have been having a good year for the most part; we have made money despite people feeling we were closed because we still have plywood on the window. We have made enough sales in the first four months to make our first distribution for the year.

Remodeling

We are still working on getting our building repaired. It seems for every step forward, it is two steps back. We have found out that we have both lead paint and asbestos in our front wall, and now the roof in the annex needs repair. Oh well, the fun never stops.

Volunteers Needed!

Please consider donating some time to Thrift House in the coming year. It is a great place for community service and outreach. What a great opportunity for volunteer opportunities or for the newly retired that need something to help fill their time or for those who have time on their hands during the summer months.

It is only a 3 hour shift and what a great outreach opportunity. It is amazing what opportunities present themselves, and what we can do to help some people. Try it out for a month or two and see if you like it, you don't have to volunteer on a full-time basis.

Donations Are Always Welcome

As you clean out your closets and cupboards, remember us. We will gladly take anything that needs a new home. However, please no broken or non-working items.

"Volunteers make our world a better place."
