## **Sales**

Retail sales have been a great challenge to the whole city this year, and the Thrift House has been no exception. We are hoping that the Fall does better and that we will see sales go up.

Christmas will start on Oct 26<sup>th</sup> at the Thrift House. So keep us in mind as you begin to prepare for the Holiday season.

## **Volunteers Needed!**

We offer lots of opportunities to volunteer. If you have time available, we can always put you to work.

**Men** these opportunities are for you also. We appreciate having men volunteer and we need you also, so don't feel that this is simply for the women.

It is only a 3 hour shift and what a great outreach opportunity. It is amazing what opportunities present themselves, and what we can do to help some people.

## **Donations Are Always Welcome**

Whether cleaning out your closets, moving, or downsizing, it seems we always find things that no longer fit, or that we simply no longer need. These are the things that someone else might have a need for.

We need Christmas items for all ages. This includes décor and gift items. Help make someone else's Christmas merry and bright.

We all have these items... give them a good home. Thrift House is always open to accept these items, and what a great way to help someone else enjoy these treasures.

## **Are you Aware?**

A Jamaican restaurant is opening up on the other side of the street . Montague's has new owners, and I understand is quite good. Lots of changes are coming, and we are looking forward to all of them (except maybe the bicycle lanes).

## **Where Do The Profits Go**

Distributions have been made to the churches over the last several weeks. We will be having a meeting on Nov 3<sup>rd</sup> to decide where we are going to be disbursing these funds. Your input is greatly appreciated.
