July 2019

Volume 2 Number 4

Volunteers are just ordinary people with extraordinary hearts. They offer the gift of their time to teach, to listen, to help, to inspire, to build, to grow, to learn.

## Things to Come

A Volunteer is a listener, an encourager, a leader, an example, a friend.

## Every Thing We Do Is Ministry

Our primary message this year is "To Love Our Neighbor as Ourselves". Let's make a great effort this year to be God's example for loving others as God loves us.

## Sales

We have been having a good year at the Thrift House, and currently we are selling a lot of merchandise at 1/2 off. We have an abundance of merchandise, and are trying to move it out for new things. Come check us out.

## Remodeling

We are finally finished getting our window repaired. We had new carpeting installed (we are still waiting for the back room to be finished) however, we are looking good.

## Volunteers Needed!

Please consider donating some time to Thrift House in the coming year. It is a great place for community service and outreach. What a great opportunity for volunteer opportunities or for the newly retired that need something to help fill their time or for those who have time on their hands during the summer months.

It is only a 3 hour shift and what a great outreach opportunity. It is amazing what opportunities present themselves, and what we can do to help some people. Try it out for a month or two and see if you like it, you don't have to volunteer on a full-time basis, but we would love to have you.

## Donations Are Always Welcome

As you clean out your closets and cupboards, remember us. We will gladly take anything gently used that needs a new home. However, please no broken or non-working items.
