FONDATION D'ARCHITECTURE DE PAYSAGE DU CANADA

Calling all Canadian Students of Landscape Architecture: Learn about LACF Scholarships & Research Grants

August 2023

LACF will offer over \$35,000 in scholarships and \$5,000 in research grants to Canadian landscape architecture students in 2023-24. Ph.D. students are eligible for research grants valued up to \$10,000 each.

For some scholarships, BLA and MLA students studying in accredited landscape architecture programs in Canada are automatically considered. However, there are other scholarships and research grants for which students may apply. They are as follows, and click on the scholarship name to learn how to apply:

[Frederick Gage Todd National Scholarship](#)
