## Awareness Panels

### Adult Panel

Featuring experts from legal, civil, educational, and social services fields offering insights to raise awareness to support good choices.

### Teen Panel

Facilitated by social workers and counselors-topics include: healthy dating, problems with pornography, and understanding sexual harassment.

## Survivor Panel

Courageous survivors share stories; experts and audience (teens welcomed) engage to explore ways to enhance outcomes

## 7-Block Community Walk

Wear purple as we walk together in solidarity to raise awareness and resilience for families affected by domestic violence.
