

Receive the latest news, events, and practical tools to support the well-being of your faith community

Advocate Aurora Health is one of the top 12 non-for-profit health systems in the country and is affiliated with the Evangelical Lutheran Church in America and the United Church of Christ.

Our Faith and Health Partnerships program has a long history of partnering with faith communities to promote health and wholeness through Faith Community Nursing, health ministry development, collaborative action, and linking faith communities with the resources of our hospitals and sites of care.

We invite you to start receiving our mailings with news, events and practical tools to support the well-being of your members and your ministries that create loving and healthy communities. **See a sample of a recent newsletter by clicking [here](#) or scanning the code.** We are careful to pace our outreach so that we are not overwhelming your in-box!

We look forward to partnering with you and strengthening the faith and health work already occurring in your faith community!

Questions?

Please reach out to Rev. Kirsten Peachey, Vice President for Faith Outreach, Advocate Aurora Health at kirsten.peachey@aah.org.
