United States Senate

Dear Senator Durbin,

I am writing asking for your support of HB 40, Commission to Study and Develop Reparation Proposals for African Americans Act.

I am a member of Peoples Church of Chicago (UCC/UUA). We are an inter-racial congregation with near equal white and black/latino members. As people of faith, we are inspired to action by Biblical teachings that call for reparations for freed slaves (Exodus 12:35-36, Exodus 22:1 and Deuteronomy 15:12-15). We want to heal the racial disparities of our country.

With approval from President Lincoln, General William T. Sherman issued Special Field Order No. 15, on Jan. 16, 1865. It prescribed 40 acre parcels to be given to freed slaves. In fall of the same year, 1865, President Lincoln's successor President Andrew Johnson rescinded the order. This left countless former slaves landless, without a means of supporting themselves. The time has come for our country to make amends for slavery and its aftermaths

Please support HB 40, so that our country may move closer to racial reconciliation and equity.
