

GET INVOLVED

**ANYONE CAN PARTICIPATE IN FAITH & BLUE!
HERE ARE THE TOP FIVE STEPS TO GETTING INVOLVED:**

[1] Visit www.faithandblue.org, view the Gallery, download the Impact Report, and check out the Planning Resources to get a sense of Faith & Blue. The Toolkit contains everything you need to organize an event, from sample activities to planning checklists to outreach tips.

[2] If you are with a law enforcement agency, a faith-based institution, or a community group, identify a team member to serve as coordinator here: faithandblue.org/agencycontact. They will be assigned a Faith & Blue staff liaison.

[3] Go to the map at faithandblue.org/events. Zoom in to your community to see if there are upcoming or past events. If there are, email info@faithandblue.org to request an introduction.

[4] Sign up for the newsletter at www.faithandblue.org/newsletter to start receiving updates and support.

[5] Follow the Toolkit to jointly organize activities with partner organizations, and when you're ready, register your events at www.faithandblue.org/submit-event.

OPTIONAL: Ask your Faith & Blue staff liaison to organize an informational webinar with members of your organization.

IN ADDITION: Every three months there is a **Day of Engagement** that offers a national virtual program and a local activity. Email info@faithandblue.org to find out how to get involved.

This is a great way to do outreach to your community and build relationships, legitimacy, and trust."

WELCOME TO FAITH & BLUE

National Faith & Blue Weekend (Faith & Blue) is a collaborative initiative that builds bridges and reduces biases by facilitating engagement between law enforcement professionals and the communities they serve. Research has shown that non-enforcement engagement of officers and residents is transformative to safety and inclusion.

Over a four-day weekend each year, Faith & Blue consists of thousands of locally organized events in all 50 states. These activities include community forums, service projects, unity marches, and hundreds of other initiatives that bring the community together in the spirit of reconciliation.

Faith & Blue organizers represent every major national law enforcement group and faith tradition in the United States. The effort is co-convened by MovementForward, Inc's One Congregation One Precinct (OneCOP) initiative, and the USDOJ Office of Community Oriented Policing Services (COPS Office).

“

Hope is the belief that destiny will not be written for us, but by us. By the men and women ... who have the courage to make the world as it should be.”

Lynda Williams, Past President, National Organization of Black Law Enforcement Executives
