

Church Yearbook Instructions – 2026

Why submit your annual data?

We have compiled twelve reasons for you to consider why you should submit your annual data. You can find it on the [Yearbook webpage](#).

The Database and Directories will be available from January 26, 2026, through April 10, 2026. Please submit your data as early as possible to avoid potential delays if you should need assistance. *If your Conference has asked you to submit your data before April 10th, please follow their guidelines.*

- **Details** include name, Church ID#, year organized, and other general information about the congregation
- **Standing**, which lists the congregation’s Conference, Association (if applicable), and Standing in the UCC
- **Address** includes physical location and mailing information for the church
- **Contact Information** includes phone number(s) and email information
- **Staff** lists staff, both current and historical, and can be sorted by name, position, status, and start/end year
- **Yearbook** displays current and previous values for membership, attendance, finance, and other metrics published in the yearbook
- **Group Members**, which contains information relating to Conference and Association created groups

If you would like to update one or more of the fields, click the “Edit” button in the top righthand corner and enter or edit records in the relevant sections. When you are finished, **be sure to click “Save” in the upper righthand corner.**

The screenshot shows a web interface for 'Example Church'. At the top, there is a breadcrumb trail: Home / Churches / Example Church. Below this, the title 'Example Church' is displayed on the left, and navigation links '← All Churches' and 'Edit' (with a green arrow pointing to it) are on the right. The main content is divided into several sections:

- Details:** A table with fields: Name (Example Church), Church ID (—), Year Organized (2012), Open and Affirming (Yes), Accessible (No), Primary Race / Ethnicity (—), Other Classifications (—), Dual / Federated (—), Affiliations (—), and Status (ACTIVE).
- Address:** 999 Example Church Ln, Example Valley TX, 99999 US. A 'PRIMARY' tag is present.
- Contact Information:** Church Email: office@examplechurch.io.
- Comment:** A comment from 'Example Church-Reporter' dated 'Dec 12 2024 11:56 AM' with the text 'Example comment'. A 'Modified' label is on the right.

At the bottom left, the 'Standing' section is partially visible.

- Please note that you will not be able to edit most of the fields in the Details, Standing, Staff, or Group Member sections. Your Conference and/or Association can edit those fields, so if there are any errors in these areas, please notify your Conference or Association immediately.
- Open and Affirming status can only be modified by Data Administrators at the National Office. This data is updated upon notification from the UCC Open and Affirming Coalition. If your church has completed the ONA process with the Open and Affirming Coalition, please email us at research@ucc.org with your church’s name and location. Include ONA Church in the subject line. We will work with the Open and Affirming Coalition to verify this and update your record appropriately.

Addresses

- We currently track three types of addresses for churches: mailing, location, and campus.
 - *Location* is the physical location of the church. This address is used on the [Church Finder](#) on ucc.org to provide a map of your church location. Please note that this address is required.

- *Mailing* is the address that is used for all church mailings. **(Please note, when mailing and location address are the same, both addresses must be entered.)**
- *Campus* is the physical location of any additional campus of your church. This address is also used on the [Church Finder](#) on ucc.org
- To add a new address, click “Edit” on the main information page (see below) and then “Add Address” in the address section.

Attendance

- This section includes fields for Average Weekly Worship Attendance, Community Engagement, Participants in Mission/Immersion/Service trips, Virtual Worship, Youth Programs, and Christian Education/Faith Formation. To help ensure the precision and accuracy of our records, we have divided the attendance category into in-person and several forms of virtual attendance.

- *Average Weekly Worship Attendance (i.e., In-Person Worship)* is the average number of individuals attending services at the church building
 - To log these values, follow the same procedures as were used for membership
 - Below weekly worship attendance, you will also find fields for community engagement, total church participants, and mission/immersion/service. These should be filled out in the same manner.
 - If you have questions about Church Participants and Community Engagement please see the “Guide to Yearbook Community Engagement and Total Church Participants Categories” posted on the [Yearbook webpage](#).

Notes:

- All salaries should be included in your Operating Expenses, even if reported in the Ministerial Support tab.
- For information on Additional UCC Giving, see our [Additional UCC Giving Guide](#)

Special Notes

- ❖ Southern New England Conference churches should NOT include their Proportional Gifts as Additional UCC Giving (previously Other UCC Giving). Your Conference will report Proportional Gifts in the Basic Support Giving column. Since it is shared with the National Setting, it is analogous to Basic Support for this report.
- ❖ New York Conference Reformed Association churches should NOT report your Assessment as Additional UCC Giving (previously Other UCC Giving). Your Conference will be reporting this giving on your behalf.

Ministerial Support

- **Start with “Choose Categories”.** Select **all** the positions that you want to report financial support for in your congregation.
- If you have additional ministers of a given type (e.g., co-pastors), go to the dropdown labelled “New Category” and select the category you would like to report multiple of. Once you have selected, it should appear on the screen with a number next to it (e.g., co-pastor 2). Repeat this process as needed until the number of positions matches the number you would like to report.

- A congregation with one Senior Pastor and two Assistant Pastors would see a screen like the following (note the double Associate or Assistant Pastors):

| Pastor Emeritus | <input type="checkbox"/> | <input type="checkbox"/> |
| Senior Pastor | <input type="checkbox"/> | <input checked="" type="checkbox"/> |

- From here, you will be asked to enter allowances and expenses for each person. This section operates very similarly to the *Membership* section, with dollar values being entered for each category. Please be sure to indicate if this is a full-time position.
- All data provided in this report should be annualized. If your church only had a pastor for part of the year, the compensation should be computed on an annual basis. This will ensure we can compare across churches. **This is not an actual accounting of the amount your church paid, but rather what the church would have paid for this position for an entire year.**

- This data is only used in providing summary reports of average compensation packages of numerous churches. Your church’s ministerial support data will not be released.
- All actual staff and ministerial compensation should also be included in your Operating Expenses reported on the *Finance* tab.

Congregational Engagement

- This section is new with the updated database and is meant to reflect aspects of our churches’ work and missions not captured by attendance, membership, or other measures. The questions pertain to building ownership/usage and volunteer activities in and around the church.

- Use only USPS-approved abbreviations in addresses.
- All questions, concerns, or comments should be directed to your Conference or Association.
- All inaccurate data should be reported to your Conference or Association for correction. Please report any errors to your Conference in the manner they asked to be notified.
- A Reporting Guide is provided at the end of this document to assist you in gathering data before submitting it. You may print this to assist you in gathering your data.

- Explanatory notes may be found under most entry fields in the Database and Directories Yearbook Reporting section. You can also find the [Church Field Guide](#) and on the [Yearbook webpage](#).
