

# Meet Dr. Kevin McIntyre

VICE PRESIDENT OF ADMINISTRATION

**Notre Dame Cristo Rey High School is pleased to welcome Dr. Kevin McIntyre as Vice President of Administration, marking a meaningful return to a school community that has been an important part of his career.**

Dr. McIntyre previously served as Associate Principal at Notre Dame during the school's first three years, helping establish the culture, systems, and relationships that supported the school during its formative years. He is excited to return to Notre Dame Cristo Rey and once again contribute to its mission of providing students with a rigorous, faith-centered education that prepares them for success in college, career, and life.

“

DR. KEVIN McINTYRE

Dr. McIntyre brings more than three decades of experience in education as a teacher, school and district administrator, and superintendent. An early Teach For America corps member, he began his career teaching in underserved communities in Louisiana and California. Those experiences helped shape his longstanding commitment to educational equity, opportunity, and ensuring that every student has access to an excellent education.

Throughout his career, Dr. McIntyre has held a variety of leadership roles, including principal, assistant superintendent, and superintendent. Most recently, he led Milford Public Schools, a diverse Massachusetts school district, before supporting the transition to new district leadership.

Dr. McIntyre earned his bachelor's degree in Political Science from the State University of New York at Albany, his master's degree in Administration, Planning, and Social Policy from the Harvard Graduate School of Education, and his doctorate in Educational Leadership from Northeastern University.

Returning to Notre Dame Cristo Rey represents both a professional and personal homecoming for Dr. McIntyre. In his new role, he looks forward to drawing upon his experience in educational leadership, operations, strategic planning, community partnerships, and organizational development while working alongside the school's students, families, faculty, staff, and partners.

Most importantly, he is excited to reconnect with the Notre Dame Cristo Rey community and support the school's continuing commitment to creating opportunities for young people to discover their talents, pursue their aspirations, and build successful futures.
