COLLEGE OF THE
Holy Cross

COLLEGE REALITY:

College grants for under-resourced families are being cut, leaving more first-generation students without the safety net to persist through graduation.

NDCR GOAL:

Increase Donations to the Sister Mary Murphy, SNDdeN Alumni Emergency Fund.

YOUR IMPACT

Turn “first in the family to attend college” into “first in the family to graduate from college.”

ACADEMIC REALITY:

College expectations are higher than ever. Preparing students to thrive on day one requires sustained rigor —AP/dual enrollment, expert teaching, tutoring, and modern classroom tools.

NDCR GOAL:

Increase investments in rigorous academics by strengthening tutoring, AP/dual-enrollment, teacher development, and classroom technology.

YOUR IMPACT

Higher achievement and college readiness—stronger literacy and math gains, more AP credits, and graduates prepared to thrive.

CORPORATE WORK STUDY REALITY:

NDCR's Corporate Work Study paid jobs for students are negatively impacted by the stress on the economy

NDCR GOAL:

Increase Funding for Corporate Work Study job placements at local nonprofits.

YOUR IMPACT

Expand community-serving roles while giving students real-world skills, mentors, and resumes that open doors.

FINANCIAL AID REALITY:

Costs keep rising while many NDCR family incomes hold steady – the average is \$43,158 for a family of four, making even modest tuition a stretch.

NDCR GOAL:

Increase financial aid to families in need.

YOUR IMPACT:

Ease the burden of a private, Catholic education for deserving students.

"Supporting NDCR means being part of something extraordinary – students reshaping their futures and building brighter lives. To witness and contribute to that transformation is one of the most rewarding feelings I know."

–Long time supporter Cynthia Mohr
