Director's Notes

Reaching Out and Engaging With You

Submitted by Toniann Leavitt, Program Director

As summer begins to wind down, I find myself looking ahead with excitement to another incredible semester at OLLI at UNH. While many people think of fall as a time to get back into routines, I like to think of it as a season of new beginnings, new ideas, new friendships and new opportunities to keep learning.

Our Summer J-Term reminded us just how engaged and curious our members are. Whether you joined us for a Zoom presentation from the comfort of home or ventured out for an in-person experience, thank you for making our summer programming such a success. It was wonderful to see familiar faces alongside many new members discovering OLLI for the first time.

Now, all eyes are on the fall semester!

Registration will be officially underway on Monday, August 3 at 9:00 a.m. sharp! I encourage you to register early for the courses and activities that interest you most. This semester's catalog is filled with an outstanding variety of topics—from history and current events to science, literature, technology, art, wellness, and so much more. Every semester, I'm amazed by the breadth of knowledge our volunteer instructors are willing to share and by the enthusiasm our members bring to every classroom.

It was exciting to see so many of our members and volunteers at our course previews last week! These gatherings are one of my favorite traditions because they offer the chance to meet instructors, learn more about upcoming classes, reconnect with friends and welcome new members into our community. The energy and excitement at these events always reminds me that

OLLI is about so much more than taking classes—it's about building meaningful connections.

As we continue to grow across New Hampshire, we're always looking for members who would like to become more involved. OLLI thrives because of volunteers. Whether you enjoy greeting members at events, helping in the classroom, serving on a committee, supporting community outreach efforts or sharing your talents in another way, there is a place for you. Volunteering is a wonderful opportunity to meet people, learn new skills, and help shape the future of our organization.

If you've ever thought, "I'd like to give back," this is your invitation. Every volunteer—whether they give a few hours each semester or take on a larger leadership role—helps make OLLI stronger for everyone. If you'd like to see where you can have an impact today, email Toniann.leavitt@unh.edu and I will connect you with the right place to start!

Thank you for being part of this remarkable lifelong learning community. Your curiosity, generosity and willingness to continue learning inspire all of us every day. Whether you're returning for another semester or joining us for the very first time, welcome. I look forward to seeing you at preview events, in classrooms across the state, and online throughout the semester.

Here's to another season of learning, laughter and lifelong friendships.

Warmly,
Toniann

Registration System Security Requirement

Multi-Factor Authentication (MFA)

OLLI's registration system requires multi-factor authentication which means a second level of security when you sign in. You must enter your user-name and password first. And then you will be asked to enter a code which has been sent to your email.

When you are asked to complete this process for the

first time, you will notice a checkbox allowing you to "trust this device for 60 days." By checking this box, you will be able to bypass the verification code requirement for the next 60 days (as long as you log in on the same device).

If you haven't logged into your account in the last 60 days, it is recommended you do so before you register for courses.

Fall Term Registration Starts August 3 at 9:00 A.M.

Online ~~~ By Telephone ~~~By Mail

Tips and tricks for a successful registration:

- Be sure you know your username and password (remember, your password must be changed if you haven't done so in the last 90 days – you will be prompted if that change is necessary).
- Also, you must set up and use multi-factor authentication to access your account.
- Log in ahead of time to be sure you will have no delays when you go to register.
- Your membership must be active to sign up for courses. [Renew ahead of time.](#)

- Registering online is the fastest way to secure your courses. [Log in to your account here.](#)
- If you log in to the system before 9:00 a.m., you must refresh your browser at 9:00 when the system goes live. Use the little circular arrow found on most browsers.
- If you need help, call the OLLI office at (603) 862-6554, but know that hundreds of calls come in on registration morning. **DO leave a voicemail rather than calling repeatedly.** Calls will be returned as soon as possible.

- Mailed-in registrations are processed by the same staff members who are answering phones and trouble-shooting problems. If your registration is received in the office before August 3 processing could be any time during the day on August 3. You will receive an email confirmation after your registration is processed.
- Some courses fill up fast! If a course you want is full, **DO put yourself on the waitlist.** Our track record for getting waitlisted members into classes is pretty good. But, if we don't know you're interested in a course, we can't take action. You are not obligated to register if/when a space becomes available and there is no charge until you do enroll.

The online registration system is remarkably easy to use.

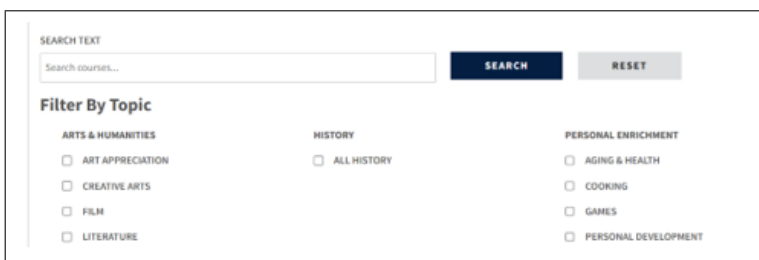

Select your courses

- ✓ Have you made a list of the courses you want? Just bring up an alphabetical list of all the courses. **To the far right of the search bar**, click the APPLY button. From the list you may click on each of the course(s) you want.

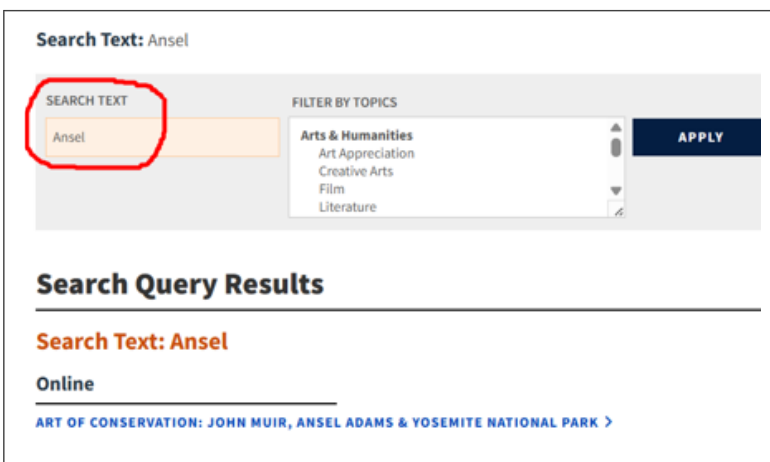

The screenshot shows the 'Course Search Results' interface. At the top, there is a 'SEARCH TEXT' input field with the placeholder 'Type search text here...'. To the right of this field is a 'FILTER BY TOPICS' dropdown menu currently showing 'Arts & Humanities' with sub-options: 'Art Appreciation', 'Creative Arts', 'Film', and 'Literature'. To the right of the filter menu is a blue 'APPLY' button, which is circled in red, and a grey 'RESET' button.

- ✓ Haven't decided for sure? But you know you want to choose some cooking courses? **Below the search bar**, you may check the Cooking box to bring up a list of all the cooking courses.

The screenshot shows the search interface. At the top, there is a 'SEARCH TEXT' input field with the placeholder 'Search courses...'. To the right of this field are two buttons: a blue 'SEARCH' button and a grey 'RESET' button. Below the search bar is a 'Filter By Topic' section with three columns of checkboxes. The first column, 'ARTS & HUMANITIES', includes 'ART APPRECIATION', 'CREATIVE ARTS', 'FILM', and 'LITERATURE'. The second column, 'HISTORY', includes 'ALL HISTORY'. The third column, 'PERSONAL ENRICHMENT', includes 'AGING & HEALTH', 'COOKING', 'GAMES', and 'PERSONAL DEVELOPMENT'.

- ✓ Can't remember the name of the course you heard about at Preview, but it had something to do with Ansel Adams? **In the search bar**, type Ansel and click SEARCH.

The screenshot shows the 'Search Query Results' page. At the top, it says 'Search Text: Ansel'. Below this is a 'SEARCH TEXT' input field containing the text 'Ansel', which is circled in red. To the right of this field is a 'FILTER BY TOPICS' dropdown menu currently showing 'Arts & Humanities' with sub-options: 'Art Appreciation', 'Creative Arts', 'Film', and 'Literature'. To the right of the filter menu is a blue 'APPLY' button. Below the search bar is a section titled 'Search Query Results' with a sub-header 'Search Text: Ansel'. Under this, it says 'Online' and then 'ART OF CONSERVATION: JOHN MUIR, ANSEL ADAMS & YOSEMITE NATIONAL PARK >'. The 'APPLY' button is also highlighted with a red circle.

Once you have made your course selections and added them to your cart, click **Checkout** and you will be taken to your account login page.

From there click **Programs** then **OLLI** to return to your cart to complete the payment process.

And The Beat Goes On

Zentangle Compass Rose

Presenter Martha Brooks insists there are no mistakes in Zentangle and that the process is so relaxing that it's a Zen experience. The six members of the Spring Compass Rose course are not in unanimous agreement, but they DID unanimously agree the course was fun and fulfilling. Class members started at very different levels of skill, but under Martha's expert instruction and encouragement, all class members were proud of the Compass Roses they created. Look at the progression over the six weeks of the course. There is another advanced Zentangle course offered in the Fall term; if you have basic Zentangle training, think about it!

The finished products are shown here. Below see the building process.

Explore the Lighthouses of New Hampshire: It's a Class and a Social Outing Wrapped Together

The Seacoast of New Hampshire is a treasure all year round. Its beauty is legendary and there is history embedded in every square mile.

On September 10 Captain Pete Reynolds of Granite State Whale Watch will take us out to sail among the Isles of Shoals to see three of our famous lighthouses up close: White Island, Whaleback and Portsmouth Harbor. He has been sailing these waters since he was a boy and will share stories of the lighthouses themselves, and the keepers who manned these stations.

The boat is reserved for OLLI alone so there is plenty of seating and space to roam around for great photos. The boat **leaves Rye Harbor at 2:00 p.m.** so you want to get there, park (state has a \$10 fee) and be ready to board between 1:30 and 1:45 p.m. Click [here](#) for more information and (on or after Monday) to register for this fascinating class.

Summer Fun

Lavender Fields

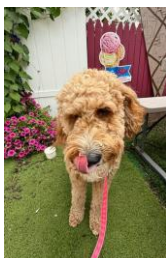

No, those are not migrant workers in that field. OLLI members braved the heat to harvest some lavender, learn about lavender and buy lavender plants to raise.

Strawbery Banke was a great excursion as part of OLLI's Summer Term.

Above, nearly 20 Seacoast area members met up to see each other and to lunch and learn about the Seacoast Village Project (SVP)! SVP is a network of older adults working together to improve their odds of being able to grow older in their own homes and communities by getting connected, getting smart and helping each other out.

The Mt. Washington Valley Ice Cream Trails SIG's mascot, Ruby (left), enjoyed a pup cup at Frogies and then shared a little ice cream lore: Did you know the novelty song *I Scream, You Scream, We All Scream for Ice Cream* by Howard Johnson, Billy Moll, and Robert King is 99 years old?

Walking it Off!

Seacoast Hiking SIG

Seacoast Hiking/Walking SIG will continue to explore the Oyster River area of the Seacoast on August 12 at 9:00 a.m. This is the last 9:00 a.m. start for our summer hikes.

The group will hike an out and back trail, Oyster River Trail and Hillside Trail, in Durham, NH. The length of the hike is 2.8 miles with an elevation gain of 177 feet. It is considered an easy trail for hiking.

The parking area is on Packers Falls Road near the intersection with Mill Road in Durham. Map: [To Oyster River Forest and Spruce Hole Bog - Bing Maps](#)

A separate email will be sent to hikers on the hiking email list for this group with more details. If you would like to be added to the email, please contact sandy.oneill@comcast.net. It is important to be on the email list in case last minute changes occur.

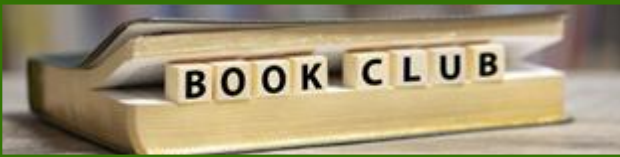

Seacoast

Just because they don't have an Ice Cream SIG doesn't mean Seacoast members reject ice cream! Did you know that New England has one of the highest per capita ice cream consumption rates?

So join OLLI members and not-quite-yet OLLI members at Golick's Ice Cream, 683 Rte. 125, Barrington on August 18 at 2:00 p.m. RSVP to Pat Nicolino at pfnico07@gmail.com.

Seacoast members enjoy Golick's in 2025.

All OLLI Book Clubs welcome members from any region

Capital Region Chapter Chats

On Monday, August 24 at 1:30 p.m., the Chapter Chat book club will meet again at Joyce Prowse's summer home on Lake Winnesquam. A Zoom connection will also be available for those who wish to participate but can't be there in person.

The subject will be ***Daughter of Moloka'i*** by Alan Brennert, a sequel to his best-selling novel ***Moloka'i***, which we had read for our June meeting. The earlier book focused on the experiences of Rachel, a Hawaiian woman banished to a leper colony at age 7.

The sequel follows Rachel's daughter Ruth, forcibly taken from her parents at birth and adopted into a Japanese family, which then moves to California and is subsequently interned during World War II. In 1948, her disease under control, Rachel locates Ruth and they enjoy another 20 years together.

Chapter Chats (continued)

Please contact Donna Frost (dfrost@hotmail.com) if you would like to be part of our Zoom discussion at 1:30 on Monday, August 24, or for directions to Joyce's summer home.

Chapter Chats meets on the last Monday of the month at 1:30 p.m. on Zoom. There's never a requirement to finish or even read the book before the meetings; you can simply enjoy the discussion. OLLI members everywhere are welcome to join us by Zoom.

Chair's Chat

Submitted by Su Bennett, Cochair, Leadership Council

"You cannot get through a single day without having an impact on the world around you. What you do makes a difference, and you have to decide what kind of difference you want to make."

— Jane Goodall

The question for this Chat "What's the opposite of irony?"

"I'm so excited," as the song says. Last week I attended the Fall Preview in Manchester and am blown away!!! I've been with OLLI since 2014 and still find so many classes that I want to take.

Our presenters make an impact on the world around them -- which is all of us -- aren't we lucky? Classes about current topics, historical topics, music (learn

to play the piano, learn about the accordion), our health, AI, films, books, crafts and so much more. They are all making a difference in our lives and their lives, too.

Yes, I know those of you who have been around a while know all of this, that's why you continue to be a member. And I chatted with a few of our new members and they're having a hard time making decisions. That's the good and bad of the Preview -- a menu with oh, so many choices.

So look through your catalog and highlight anything that tickles you and some that you know nothing about. I promise you will be delighted.

And the answer is "Wrinkly." (I'm still chuckling.)
