## If Fall is Ending . . . Can Winter be Far Behind?

And this year winter break will not be a complete break. Because THIS winter will feature classes, one each week from the first week in January to the second week in February. Here's some information to get you going:

- All classes will be on Zoom (no risk of driving in bad weather!).
- Registration online or by calling the OLLI office at (603) 862-OLLI (6554). Registration will open in mid-December. Normal course fees apply.
- There won't be a printed catalog. Look for information about courses in the December *Halfway Pointers* and by a general distribution email.
- Dates of the courses are being confirmed, but three already confirmed are:
  - *Surrender: My Journey from Guerrilla to Grandmother*
  - *Ever Wonder How Your Real Estate is Actually Valued?*
  - *Book Nerds Unite!*
- We'll be looking for Zoom moderators – if you are interested in learning more, email the OLLI office at [OLLI.office@unh.edu](mailto:OLLI.office@unh.edu).

## Reaching Out and Engaging With You

Submitted by Toniann Leavitt, Program Director

As we enter the final weeks of our fall semester, I continue to be impressed by the energy, curiosity and community spirit that make OLLI at UNH such a special place. It's hard to believe we are already wrapping up another successful term of courses — one overflowing with lively discussions, new discoveries and meaningful connections. This fall, we filled over 2,500 seats in our courses and members enjoyed other opportunities with our Shared Interest Groups as well as social and special events – a vibrant reflection of the passion our members bring to lifelong learning.

A heartfelt thank you goes out to our exceptional presenters, Class Assistants, Zoom Moderators and the many volunteers who assist in ensuring that OLLI runs smoothly. Your dedication shapes a welcoming, high-quality experience for every participant, and we are deeply grateful.

### Exciting Winter News: J-Term Launches in January!

I'm elated that OLLI will launch our Winter J-Term, beginning the week **of January 5**. These engaging courses will offer a perfect way to stay connected and keep learning through the winter months. Keep an eye on your email inbox the week of **December 15** for full course details and registration information. What's a J-Term? That's the period between our Fall and Spring terms comprising the months of January, June and July.

### Spring Catalog Coming Soon

Our volunteers and curriculum committees have poured their energy into crafting another vibrant spring lineup. Your Spring 2026 catalog is expected to arrive in mailboxes mid-January, just in time for our preview and open house events. We hope you'll join us—say hello, enjoy a treat and get a first look at the unique programs coming your way.

### A Refreshed OLLI Website Is On the Way

We are also excited to announce that a refreshed **OLLI at UNH website** will launch this spring. The updated site will offer:

- An integrated UNH look
- Easier access to key information
- A more welcoming, intuitive user experience
- Integrated course registration directly on our website
- Improved navigation and accessibility

This redesign reflects our continuing commitment to making OLLI even more welcoming and convenient for all members.

### Support OLLI: Annual Appeal

As the year comes to a close, we invite you to support OLLI through our Annual Appeal. Your tax-deductible gift before December 31 helps sustain the programs and services you value—classroom rentals, Zoom access for online learning, course development, volunteer training, catalog production and so much more. Every contribution, at any level, strengthens our community of lifelong learners. You can donate at any time by clicking [here](#) or reach out to me at [Toniann.Leavitt@unh.edu](mailto:Toniann.Leavitt@unh.edu) for more information.

Thank you for being part of OLLI at UNH. Whether you joined us for a single class or filled your calendar with learning this fall, your presence enriches our community in countless ways. I look forward to seeing you during J-Term, at our spring previews and throughout all the wonderful opportunities 2026 will bring.

Have a joyous holiday season!

Warmly,

**Toniann Leavitt**

Director, OLLI at UNH

## UNH Research Supports OLLI Values

Recently published research by UNH faculty member Alison Rataj, a research scientist at the UNH [Institute for Health Policy and Practice \(IHPP\)](#) and the [Center on Aging and Community Living \(CACL\)](#), in [The Gerontologist](#), found older adults without children are more vulnerable to loneliness, but friendships help fill that void, a predominant value of the OLLI program.

# A Heartfelt Thank You to Our Exceptional Volunteers

*Submitted by Toniann Leavitt, Director*

OLLI at UNH is powered by the energy, dedication, and generosity of volunteers who give their time and talent to keep our program thriving. This month, we extend our deepest gratitude to several extraordinary members who go above and beyond—often behind the scenes—to make OLLI the vibrant learning community we all cherish.

**Iris Altilio and Nicki Kilfara** – Your tireless work distributing hundreds of emails each semester to Class Assistants and Zoom Moderators—including presenter information, rosters, and reminders—ensures seamless communication and outstanding course support. A special thank you to **Iris** for coordinating Class Assistants for the Capital Region.

**Kathy Cassano and Patti Emerson** – We are grateful for your commitment to securing Class Assistants and Zoom Moderators for the Greater Manchester region. Your work helps create welcoming, well-supported classrooms for our members and presenters.

**Pat Nicolino** – Thank you for your dedication to the Seacoast region, recruiting Class Assistants and Zoom Moderators and frequently stepping in yourself when gaps arise. We are especially grateful for your development and leadership of the *Tour the Seacoast* program, which has allowed members to enjoy a variety of new experiences and opportunities to connect with other members.

**Allison Provencher** – We appreciate your efforts in coordinating Class Assistants and Zoom Moderators for the Mount Washington Valley region. Your support helps keep courses running smoothly across our northern communities.

These individuals are more than just volunteers—they are the heartbeat of OLLI. Their commitment keeps our organization alive, and we truly could not do all that we do without them. Please join us in thanking them for their exceptional service and unwavering dedication to our mission of lifelong learning.

No, it is not your imagination!

If you are using a computer or laptop which runs on Windows 7, 8 or 8.1, you may find your Zoom access is increasingly compromised.

If you use the Zoom desktop app, the recent Zoom upgrade to version 6.0.0 is likely to be incompatible. You may still be able to access Zoom via a supported web browser (Chrome, Firefox, Edge and Safari – current and past two versions).

Computers running on Windows 10 or 11 should not experience any problems. MacOS X (10.13 or later) is fully compatible.

For more information on Zoom system requirements, click [here](#).

You are probably aware that Microsoft no longer supports Windows versions lower than 10, placing data security at risk. OLLI cannot provide tech support if you need to upgrade, but click [here](#) for a decision guide to help you.

## Firefly Fun with Fused Glass Art

Five OLLI members gathered at Firefly Pottery to try their hands at creating the Cardinal on Birch Tree plate out of sheets of glass.

The lesson began with instructions in the use of the weapons – uh, the tools (pictured at left). Then came assurances that a first aid kit was available. (Only two of the five had to take advantage of that.) Finally, the ultimate test of patience – gluing 1/8 to 1/2-inch pieces of rigid metal the size of pencil lead, broken by hand, on the birch tree.

The fourth and final event of the Firefly series, decorating Christmas ornaments has been cancelled. Another series is planned in the Spring.

# Chair's Chat

Submitted by Su Bennett, Chair, Leadership Council

*Q. What do you have in December that you can't have in any other month? (Answer later on)*

December is a month of celebrations - but I'm sure you already know that. Here are a few:

- ❄ **December 6** is Saint Nicholas Day. The patron saint of children is the model for Santa Claus and gift-giving.
- ❄ **December 7** is National Pearl Harbor Remembrance Day.
- ❄ **December 8** is Bodhi Day in the Buddhist calendar, celebrating Buddha's enlightenment; it's celebrated in a way that's similar to how Christians celebrate Christmas to honor Jesus Christ.
- ❄ **December 13** is St. Lucia's Day, which has long been associated with festivals of light; before the Gregorian calendar reform in 1752, her feast day occurred on the shortest day of the year.
- ❄ **December 14** marks the beginning of Hanukkah this year, the 8-day Jewish Festival of Lights.
- ❄ **December 15** is Bill of Rights Day.
- ❄ **December 17** is Wright Brothers Day.
- ❄ **December 21** is the Winter Solstice, the astronomical day when the hemisphere is tilted as far away from the Sun as possible. Starting in ancient times, people celebrated the rebirth of the Sun event through Yule (which begins on the Solstice and is celebrated for 12 days).
- ❄ **December 25** is Christmas Day, a Christian holiday commemorating the birth of Jesus Christ.
- ❄ **December 26** is Boxing Day (Canada, UK). The origins are debated but are often linked to either the tradition of giving a Christmas box of money or gifts to servants and tradespeople, or the opening of church donation boxes for the poor on St. Stephen's Day (December 26).
- ❄ **December 26** is also the first day of Kwanzaa, an annual, nonreligious seven-day celebration of African American and Pan-African culture, history, and community.

So, in this spirit, I would like to celebrate all of you – all our many, many loyal volunteers, our dedicated presenters, our dependable sponsors, our generous member donors, our tireless and creative Admin team and our partner institute UNH. Together, we have created a community worth celebrating. So, here's to all of you, however you choose to celebrate this month.

*Oh, and the answer is the letter D.*

Before the clock strikes midnight on December 31 be sure to lift your left foot.  
That way you will start off the New Year on the right foot!

*Leadership Council meetings are generally held on the Zoom platform on the fourth Monday of the month from 10:00 a.m. to noon, giving members the opportunity to observe our governance structure firsthand. There will be no December meeting, so the next meeting will be Monday, January 26. All members are welcome. Contact John Russell, at [russelljohnnt@comcast.net](mailto:russelljohnnt@comcast.net) for information or a Zoom link.*
