## Class Assistants and Zoom Moderators Wanted

If you received a warm welcome when you walked into a classroom, or if you enjoyed a smooth Zoom class, you can probably thank a Class Assistant or a Zoom Moderator. These volunteer roles are among the most rewarding because you have a direct impact on the ability of members and presenters to engage successfully in classes.

How about joining the ranks of OLLI volunteer CAs and/or moderators. Training without any commitment is available so you can see if it's for you. Keep these dates available and join in -- you might love it!

Class Assistants - July 19, 1:00 p.m.

New Zoom Moderators - July 31, 1:00 p.m.

Experienced Zoom Moderators - July 18,  
10:00 a.m.

Individual training is also available.

All training is conducted on Zoom. Call the office for more information -- (603) 255-3553

## Reaching Out and Engaging With You

Submitted by Toniann Leavitt, Program Director

**Note: All underlined blue words or phrases are clickable links.**

What a year it has been! It feels like just yesterday I was writing to you all to share the exciting news that we had officially become part of UNH's Office of Outreach and Engagement. Despite the many changes we've faced, this past year has been filled with successes and opportunities for our learning community.

As of June 21, our Institute boasts **1,008 members!** This remarkable achievement is a testament to the hard work and dedication of our volunteers and administration, who have been instrumental in growing and developing our programming. Regrowth of our membership has been a top priority as we navigate this transition and recover from the impacts of the pandemic. There are still many people in our communities who we have not been able to reach, so as you prepare for the upcoming Fall Preview events, I urge you to take this opportunity to invite a friend or two to join you and learn more about becoming part of OLLI at UNH.

We also participated in our second year of the university-wide fundraiser, The (603) Challenge. Once again, our members showed their appreciation and support for our lifelong learning institute through their generosity, contributing **121** gifts. During this week-long fundraiser, we received a total of **\$13,364** from donors and match challenges, including a \$2,000 match from our Leadership Council. In total, our generous donors gifted **\$18,000** to OLLI at UNH this year! I would like to take this moment to express my heartfelt gratitude for your continued support of our future.

Our success, with the vast number of courses and activities we offer each year, would not be possible without the contributions of our over **150** volunteers across our four learning regions. These dedicated individuals work alongside our administration to lead committees, develop our curriculum, welcome participants to courses, organize special events, coordinate SIGs, engage in community events and

much more. A special thank you goes out to these individuals who keep our OLLI vibrant and engaging. If you would like to share your skills and ideas with us, please email [olli.office@unh.edu](mailto:olli.office@unh.edu), and we will connect you with a volunteer leader to find the best place for you to make an impact on our learning community.

The Fall 2024 catalog is off to the printer and will arrive in your mailbox within the next couple of weeks! With over **170** active courses in history, science, technology, creative arts, current events and more, choosing will be a delightful challenge. To learn more about these upcoming courses, we invite you to join our preview events in July. You'll have the opportunity to hear from your presenters, renew your membership, enjoy some delicious treats and catch up with friends. Previews will be held on the following dates:

**Capital Region - Monday, July 22 at 9:30 a.m.**  
Tad's Place at Havenwood Heritage Heights  
149 East Side Drive, Concord, NH 03301

**Seacoast - Tuesday, July 23 at 10:30 a.m.**  
St. John's Methodist Church  
28 Cataract Avenue, Dover, NH 03820

**Mt. Washington Valley - Wednesday, July 24 at 10:30 a.m.**  
Journey Church  
15 Hutchins Drive, Conway, NH 03818

**Greater Manchester - Friday, July 26 at 10:00 a.m.**  
UNH-Manchester – Multi-Purpose Room  
88 Commercial Street, Manchester, NH 03101

I hope you all continue to enjoy your summer as we gear up for another superb fall semester! As always, please reach out to me at [Toniann.leavitt@unh.edu](mailto:Toniann.leavitt@unh.edu) with any questions or about how I can help you navigate our wonderful lifelong learning community full of opportunities.

With appreciation,  
Toniann

# OLLI in June

*Members in the Seacoast were treated to hands-on mastery of concocting salad dressings under the guidance of presenter, Pat Nicolino. Participants mixed, flavored, and tasted their own dressings using a myriad of vinegars, oils, and seasonings. Teams then created savory salads and all shared the final products. Yummy class!*

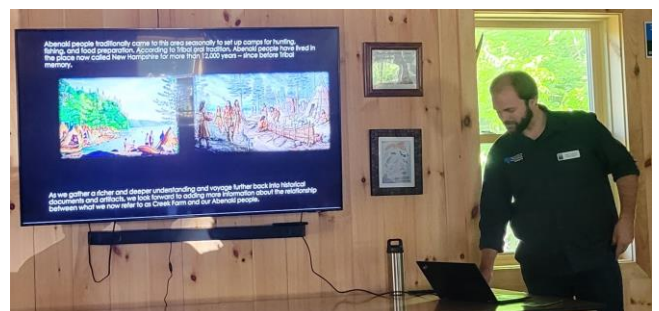

*A History of Jazz class in Portsmouth: Members were treated to an annotated history of jazz music in America accompanied by local musicians, Leslie Webb, Claudia Landell and Ray DeMarco. They learned about the roots of jazz, the contributions of early black artists, and the role of jazz in our culture. Famous jazz players were profiled along with video clips of them performing.*

*A Lunch & Learn featuring New Hampshire author and journalist and Union Leader Editor at Large Joe McQuaid represented the final OLLI event to be held in the Brady-Sullivan Tower*

*Creek Farm, on the shoreline of the tidal Sagamore Creek in Portsmouth, hosted a class. Members learned about the history of the area, native inhabitants, royal Governor Benning Wentworth's 18<sup>th</sup> Century farm, and took a walking tour of the grounds now stewarded by the Society for the Protection of New Hampshire Forests.*

## Cruise Night at The Refinery - *rescheduled*

*Submitted by Donna Frost, Class of 2015*

Capital Region invites you to join Ron Frost on Wednesday, July 10, 6:00-8:00 p.m., at The Refinery in Andover NH for Cruise Night. See 40 or more classic and antique cars in the company of Ron Frost, a regular OLLI presenter, who restores antique cars and trucks as a hobby. He particularly enjoys Cruise Nights where he can visit with other owners to discuss auto mechanics and all things related to restorations (like where to get seats reupholstered). Ron will take you around to see other vehicles and talk with owners.

The Refinery is an American restaurant located at 4 Mill Road, Andover. Reservations are recommended to eat in the restaurant, but burgers and pulled pork sandwiches are sold in the parking lot barbecue. Or, feel free to just come for the cars. Bring a lawn chair if you want to sit and visit.

Please email Donna Frost ([dfrost49@hotmail.com](mailto:dfrost49@hotmail.com)) to let us know you are coming or for more info. If there is any question about the weather on July 10, email or call Ron at (603) 848-9033. For more information about the restaurant and directions, [click here](#).

# Chair's Chat

Submitted by Bob Muzerall, Class of 2018

June 30 is the last day of OLLI at UNH's fiscal year. July 1 is the start of our 2024-25 fiscal year.

With any transition, comes some soul searching. How did we do? Where did we slip up? Then, there are the thoughts about the upcoming year. What can we do to improve? How can we better meet the needs? These are the thoughts that run through my mind. I can answer some of the questions.

How did we do this past year? Pretty darn good, I'm pleased to say. We have over 1,000 members, a goal for us that we have been working towards since COVID ended. How about the classes? They went very well. We had more "seats in the seats" than ever before. We continued to provide our Zoom offerings and they remain steady. The four Learning Regions did extremely well by offering many more classes than expected.

To all those who worked toward these wins,

I say thank you! We could not have done it without our tireless volunteers. A second thanks go to all the members who continue to make this a wonderful organization.

Did we have any issues? Yup, we sure did! We struggled with course registration. Our volunteers encountered some hurdles trying to get everything done. Our staff members were pressed to the breaking point. But we all stuck together and made it work.

How about our upcoming year? It looks very good. However, we need your help. We need volunteers. We need people who want to help shape our offerings to reach even more people. We need local folk and we need statewide folk.

Over the next several months various groups of us will be working on this to ensure our OLLI at UNH is the best OLLI of the 124 nationally. Let us all put our heads and hearts into making this new year the best.

*Leadership Council meetings are generally held on the Zoom platform on the fourth Monday of the month from 10:00 a.m. to noon, giving members the opportunity to observe our governance structure firsthand. The next meeting, however, will be a full-day in-person meeting on Tuesday, July 30. All members are welcome. Contact John Russell, at [russelljohnt@comcast.net](mailto:russelljohnt@comcast.net) for information or a Zoom link.*
