

New Year 2025 WHITE STONE SERVICE 2025 Letter of Intention

JOIN US FOR OUR 2025 WHITE STONE SERVICE

Take time in the coming days to prayerfully consider the blessing of a New Year and the invitation of new beginnings, the releasing of the old and the receiving of the new, next, better, and best in 2025.

What is the blessing of Divine grace and good that you desire to experience and express more fully and completely, with greater integrity, authenticity, ability, and power in the New Year of 2025?

Describe that desired blessing in your **2025 Letter of Intention**. Now consider the one empowering value, ideal, or power, that if demonstrated in 2025 will make manifest the desired blessing of your Letter of Intention.

That will be your **2025 White Stone Word** and will be written on your White Stone and blessed in our 2025 White Stone service.

Join us on Sunday 1/5/2025 at 10:00 am to receive the gift of a White Stone and the blessing of our 2025 White Stone Service.
