Additional Information

Agency Name: Administration for Community Living

Description: Please note this will be the Funding Opportunity for Disability and Rehabilitation Research Projects (DRRP) Program: Projects for Translating the Findings and Products of Disability and Rehabilitation Research and Development into Practice The purpose of NIDILRR's Disability and Rehabilitation Research Projects (DRRP), which are funded through the Disability and Rehabilitation Research Projects and Centers Program, is to improve the effectiveness of services authorized under the Rehabilitation Act by generating new knowledge, or developing methods, procedures, and rehabilitation technologies that advance a wide range of health and function, independent living, and employment outcomes among individuals with disabilities, especially individuals with the most significant disabilities. Under this particular DRRP priority, grantees must promote the use or adoption of findings or products from NIDILRR-sponsored research or development projects.
