

The Silver Academy Alumni Giving Circle Grant Request Form

Our Mission Statement

The members of the Alumni Giving Circle are grateful for The Silver Academy educations that has shaped us into the adults we are today. In coming together, we aim to ensure the legacy of Rabbi David L. Silver and his teachings for future generations.

What drives The Silver Academy Alumni Giving Circle decisions?

- Our circle is based on our shared connection to The Silver Academy and Harrisburg.
- Together, each member can have a greater impact on The Silver Academy and the Harrisburg Community than we could separately.

On Wednesday, April 11th at 7pm, the giving circle will meet virtually to hear the requests for grants. The team will then ask questions of the person submitting the request.

On Monday, May 1st the circle will join together to have any questions about the grants answered and to vote on which requests to grant funding.

On Wednesday, June 6 at The Silver Academy graduation, the grant checks will be rewarded by The Silver Academy Alumni Giving Circle. This will complete the first cycle of giving from our Silver Academy Alumni Giving Circle.

If you would like to request a grant from our Giving Circle please write up in 100-500 words what you would like to improve in our Silver Academy Community and why you would like these funds. Please include how much money you need and what resources you need. If you would like to present your idea to our group at the April 11th meeting, please contact Shari Dym. **Requests are due Tuesday April 10th by 5pm via email to sdym@silveracademypa.org.**
