

Please share your library story!

It's our 60th Anniversary, and we're collecting your stories!

Your stories will help us share our success and advocate for our services with supporters and funders.

In the diamond box to the right, tell us your story or wish; use the back of this sheet if needed, too!

You might consider telling us...

- ◊ How have our services helped you?
- ◊ How did you feel the first time you entered our facilities?
- ◊ What is your favorite thing about the Library? Why?
- ◊ How do we compare to other Libraries you have used?
- ◊ **OR** Wish us a 'Happy Anniversary!' in your own words.

Sedona Public Library is the Jewel of Sedona because...

A large, light blue diamond shape is positioned on the right side of the page, overlapping the right margin. Inside the diamond, there is a grid of 12 horizontal lines arranged in a 4x3 pattern. The lines are light blue and correspond to the lines on the left side of the page for writing stories.

Thank You!
