Reflective Supervision *Learning Collaborative*

The **RSLC** 2025-2026 Application---Now Open!

- Do you support or supervise IMH professionals?
- Are you passionate about relationship-based practices like reflective supervision?
- Are you ready to become a provider of reflective supervision or consultation (RSC)?

The RSLC is a 12-month program composed of 5 training sessions; monthly reflective consultation; attendance at the WI-AIMH Conference, materials and resources within a peer-based learning environment. The cost of the RSLC is \$2,700 for non-WI-AIMH members and \$2,500 for WI-AIMH members.

Learn how to provide reflective supervision to others! Start your application today!

What Participants Have Said:

The RSLC literally changed the way I live my life. I am more in tune and reflective and aware of myself, my needs and how that impacts how others view me...

Would recommend—very well done training and supportive group space every month in between.

The training is well rounded, the group mentors are amazing, and it really builds on your skills and strengths.

Multiple staff have told me they feel very supported. It feels very growth-supporting for staff. I think all staff deserve to receive reflective supervision from a well-trained supervisor.
