

Nurturing Potential:

Understanding Child Development and Neurodiversity in the Early Years

Are you a professional working with or on behalf of young children and families?

Enhance your understanding of child development and neurodiversity in children from birth to three years. This workshop will equip you with essential knowledge and practical strategies to support the diverse needs of all children.

**Virtual training event!
Wednesday May 21, 2025**

1 - 3 pm

**FREE for WI-AIMH Members
\$15 for non-members**

Join us as we explore:

Developmental milestones

Understanding neurodiversity

Supporting development

Creating inclusive environments

Engaging with families

Presented by Dr. Abby Taylor,

Expert in Early Childhood Special Education,
parent of a young child with disabilities, &
Data & CQI Manager for WI-AIMH
