GREAT AMERICAN CLEANUP

— Green UP & Clean UP —

HOW TO COORDINATE A CLEANUP

We can guide you in the right direction, help spread the word, and provide cleanup supplies!

1 PICK A DATE, TIME AND LOCATION
We can help give you some options if needed.

2 SPREAD THE WORD
Once you get all your details in order, post to social and notify your friends and neighbors. We can also share your cleanup info on our social media pages!

3 CONTACT KMB
Give us a call or email with the amount of volunteers you anticipate so we can get your supplies ready.

4 PICK UP YOUR SUPPLIES
Coordinate with us to find a day and time that you can come by our office to pick up your group's supplies. We are open M-F from 9am to 5pm.

5 HAVE A GREAT CLEANUP
Be sure to complete a cleanup report form and send it to us along with photos from your cleanup so we can thank you on social media!
