

Ohio Invention League provides students in grades K - 12 an interactive and interdisciplinary opportunity to use the invention process to create and pitch an original product at the Ohio Invention Convention (OHIC).

Students develop their 21st century job skills, such as critical thinking, creative problem solving, and entrepreneurial skills, and may qualify to compete at Invention Convention U.S. Nationals.

Judges come from a variety of disciplines and areas of expertise. Volunteering from anywhere with an internet connection, you will ensure OHIC is an educational and fun experience for all students by:

- Watching short student pitch videos
- Scoring student projects using a rubric

No previous experience is required!

REGISTER TO JUDGE:

<https://oh.zfairs.com/?f=f2b3b421-2b76-4d23-934a-f85ae98b64bb&PersonType=y&FairRType=Judge>

Every judge is asked to volunteer a total of 2-4 hours, using the online platform, at your convenience, anytime between May 2 - 23.

Please register by April 30th.

After registering you will receive:

- Link to online training (approximately 1 hour)
- A short video that explains getting into the judging platform so you can witness kid innovation, and start scoring pitches

While you are inspired by these innovators - you will be helping to prepare the future workforce and future leaders.
