HOME TYPE (circle one): **Site-built Home** **Manufactured Home** **Other:** _____
Installation Address (if different than above):
Street: _____
City, State, Zip: _____

I hereby agree not to modify the equipment for a period of **one year** from the date of installation in a way that would materially impair the equipment's performance with respect to energy conservation, efficiency or air quality. I consent to on-site examination of the above installation by an employee, inspector or agent for NJPERF for the purpose of verifying compliance of the installation with program and safety rules. I have received a copy of the program guidelines and understand that this rebate of \$200 per appliance is available only through authorized propane marketers in New Jersey and that the program may end at any time.

The propane marketer seeking a rebate must submit a full and complete Application form. Submission of the Application form constitutes a representation on the part of the participating propane marketer that the work shown on the form has actually been completed. A safety inspection must be performed by the participating propane marketer after the installation of each new qualifying water heater and the date of that inspection must be included on the Application form. The safety inspection for qualifying water heater installations must, at a minimum, include the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and 3) a flow and lock up test on the regulator[s]. The propane marketer agrees to comply with all laws, rules and regulations governing the installation of the qualifying water heater and with the manufacturer's installation instructions. The NJ Propane Education and Research Foundation (NJPERF) assumes no responsibility whatsoever for the installation, inspection or testing of the qualifying water heater or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying water heater or the associated gas system. The NJPERF disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying water heater.
