FROM THE PRESIDENT & CEO

Thank you for joining us for the 14th Annual Great Communicators Golf Classic! At Columbus Speech & Hearing Center, we're humbled to continue our 98-year-old mission of unlocking potential for individuals with communication challenges through all stages of life. Your support today ensures that the mission stands strong for years to come.

Since our founding day in 1923, we've evolved into something even bigger than our founders originally imagined. Today, our mission has reached thousands of people in central Ohio who have come to us with a variety of unique needs. Whether it's helping one find their voice with speech therapy or hear a loved one whisper for the first time in years, we're inspired by the life-changing outcomes we see every day.

Impassioned by our mission and inspired to continue making a difference, we will put your dollars to work so we can continue to be there for those we serve, improve communication and change lives. Thanks again for your support!

Regards,

Halloween Hop!

October 16, 2021

Free trick-or-treat fun for kids of all abilities!

Halloween is an experience that every child should be able to enjoy. That's what inspired the creation of Halloween Hop.

Trick-or-treating involves language and social interaction skills, and the ability to follow a socially established routine. Typical Halloween celebrations can be challenging for children with special needs, especially those with communication and sensory issues.

With the generous support from sponsors in our community, TOGETHER, we can provide all children in central Ohio a chance to enjoy the magic of Halloween!

For more information or to become a sponsor, contact Danielle Dobkins at ddobkin@columbusspeech.org.

GBQ is proud to support the
Great Communicators Golf Classic.
