Please provide the following information for teenagers (12-18 years old) who would like to participate as prefects in VBS at Hogwarts. A separate form is needed for each prefect applicant. Being a prefect is fun and rewarding AND it is also a big responsibility. All prefects are expected to participate in the preparation of Hogwarts during the period covering June 13 – June 21. Each prefect is required to work three shifts including one on the Saturday or Sunday, June 20 or 21. \* Each prefect will be assigned a group of children for whom they will be responsible during the entire camp. **First time rising 7<sup>th</sup> grade prefects may have separate responsibilities and are typically partnered with a veteran prefect. This will be explained during training.** Additionally, prefects (especially new prefects) will be expected to attend one of three training sessions which will be scheduled the week of June 21<sup>st</sup>\* or meet for one-on-one training at some point before the beginning of camp. We need 24-30 prefects per session on a first-come-first-served basis. Please get your registration forms in as soon as possible.\*Accommodations will be made for prefects attending the Puerto Rico Mission trip.
