

# britepaths

On November 17, our parish will be delivering groceries to 30 Britepaths client families. Here are the items we most need!

**Pasta sauce**

**Canned tomatoes**

**Canned fruit**

**Juice**

**Baking supplies or dessert mixes**

**Dinner kits (such as Hamburger Helper or taco dinner kits)**

**Cookies/crackers/snack items**

**Canned stew or chili**

**Hot or cold cereal**

**Paper grocery bags (for deliveries)**

**Toiletries – shampoo, conditioner, soap, toothpaste, deodorant**

**Cleaning supplies**

We do not need canned vegetables or canned beans at this time. Please make sure your donated items are not opened or dated past their expiration or “best before” dates. Thank you!

Please consider bringing an item or two to the Britepaths narthex display on or before 5 pm on Wednesday, November 13. We are also collecting monetary donations to purchase fresh produce and other needed items – please see the collection box in the narthex.

We also need help in packing groceries, shopping, loading cars, and making deliveries. If you have any questions or would like to help with these jobs, please contact Susan McGuire at [osusnna@cox.net](mailto:osusnna@cox.net).

Thank you for your support!
