

britepaths

On November 18, our parish will be delivering groceries to 30 Britepaths client families. Here are the items we most need!

Pasta sauce

Canned tomatoes

Coffee and tea

Juice

Baking supplies or dessert mixes

Dinner kits (such as Hamburger Helper or taco dinner kits)

Cookies/crackers/snack items

Canned stew or chili

Hot or cold cereal

Paper grocery bags (for deliveries)

AND ESPECIALLY

Toiletries – shampoo, conditioner, soap, toothpaste, deodorant

Cleaning supplies

We do not need soup, canned vegetables, or canned beans at this time. Please make sure your donated items are not dated past their expiration or “best before” dates. Thank you!

Please consider bringing an item or two to the Britepaths narthex display on or before 5 pm on Wednesday, November 14. We are also collecting monetary donations to purchase fresh produce and other needed items – please see the collection box in the narthex.

We also need help in packing groceries, shopping, loading cars, and making deliveries. If you have any questions or would like to help with these jobs, please contact Susan McGuire at osusnna@cox.net.

Thank you for your support!
