

## Advent 2020 Family Resources

### *Stories of God at Home* CHRISTMAS

Holy Comforter has adopted a Montessori-based approach to spiritual instruction for our children during Sunday school through grade 4. The program is called *Godly Play*. The Godly Play Foundation has a new resource for families wanting to encourage this spiritual development at home called *Stories of God at Home*.

More information including order information for the Christmas Story of God at Home can be found here: (The DIY kit is great and reasonable!)

## Free Resources from Building Faith

This link contains several ideas and activities for families to do to move through the season of Advent as well as a collection of advent calendars, musical playlists, and prayers for households of all kinds to use this Advent.
