**May Men's Breakfast Report**

September 18<sup>th</sup> BBQ Organization is off to a Good Start.

Still need more help. Paul Henry, reported that there is a motion to give Red Bird Trailer Mission \$2500.00 to cover trip costs.

The motion was tabled due to time constraints.

It looks favorable for Kitchen use for both the August 21<sup>st</sup> Breakfast and the September 18<sup>th</sup> BBQ. *(I just read the new guidelines and I believe we still need to petition the Board in letter form.)*

Meeting ended with Lots of Laughter.....What the Heart Needs.
