

The St. John's mission statement is "Called by God, we extend welcoming arms and serving hands to transform lives through Christ." Aligned with this calling, our St. John's congregation has a long legacy of blessing others through mission work.

Through the challenges of recent years, many have kept mission efforts central for our St. John's Family, including the United Women in Faith's mission efforts, our weekly food collection, supporting community partners and UMCOR through our Communion Offerings, RISE Sunday, and our plastic recycling efforts. For all who contribute to missions at St. John's, know that Christ is glorified through your work!

I feel God is calling us to continue and expand mission efforts offered in Christ's name, and am excited to share that Valerie Clark has agreed to serve as the Missions Coordinator for St. John's. Valerie is excited to hear your ideas and explore more opportunities for mission work at St. John's.

If you are interested in participating in Missions, please contact Valerie via email (dvclark08@gmail.com) or look for her in the Narthex following one of our upcoming worship services.

Thank you for your heart for serving Christ in mission at St. John's!
