

# Memorandum

**Date:** November 15, 2017  
**To:** Honorable Daniella Levine Cava, Miami-Dade County Commissioner, District 8  
**From:** Jorge M. Fernandez, Coordinator  
Office of Management and Budget   
**Subject:** The Falls Survey Results

- Pursuant to the survey for the Falls area produced and distributed by your office. You requested that the Office of Management and Budget's Community Redevelopment and Municipal Services Unit (Unit) tabulate the surveys.
- The survey consisted of two questions with two sections (A and B). The first section (A) of each question was tabulated. A total of 4,033 surveys were received and tabulated. Additionally, 636 were returned as unable to deliver by the United States Postal Service.
- For the first question, 3,876 individuals responded, 157 did not answer this question. For the second question, 3,914 individuals responded, 119 did not answer this question. The tables below provide the detailed results for the two questions.

**Question 1** - The residents of the community surrounding The Falls have expressed a variety of opinions concerning incorporating the Falls community as a separate municipality in Miami-Dade County. Where do you stand on this issue?

I am in favor of incorporation	1,442	37%
I am against incorporation	2,434	63%

**Question 2** - One of the required steps in considering incorporation is to create a Municipal Advisory Committee (MAC) to evaluate the feasibility of incorporation. How do you feel about creating a MAC?

I am against creating a MAC	2,284	58%
I am in favor of creating a MAC	1,630	42%
