In addition to providing food for needy local families, we also try to make sure that all children in the families receive a gift for Christmas. We are in need of TOYS for children Birth - 11 years of age. And to guarantee that young teens from 12-18 years of age are not forgotten... We have created the "**Adopt a Teen for Christmas**" program to provide a gift card for all those in that age bracket.

If you would like more information or want to help, please contact Heather Ryan at [714-271-8244](tel:714-271-8244) or heather.ryan@springhillanaheim.com.

Returning your donation early is greatly appreciated!
