

Commercial Property Maintenance Worker At Historic Reed and Barton

Reed and Barton is looking for a self-motivated person to assist in the maintenance of the multiple buildings and also all related issues of day to day operation. General facilities experience a plus. This is a first shift, full-time, year round position with occasional overtime available.

Some of the details:

- The job entails but is not limited to light carpentry, plumbing, electrical, mechanical, landscaping, and painting. Our well-rounded staff will work with you when needed, and if required, some training will be provided.
- Respond to tenants' requests as required as a representative of property owners.
- Using property owned equipment, assist with snow removal with requirements for off hours work depending on storm timing.

Other requirements:

- Adhere to company safety policies.
- Enjoy working independently as well as with others on the team.
- Ability to lift 40 lbs.
- Enjoy indoor and outdoor work.
- High level of work ethic and self-appreciation for a job well done.
- Strong organizational and communication skills
- Tractor, snow plow and fork truck experience a plus.
- Ability to pass a CORI check.

Interested applicants can respond via email with your resume or letter describing your why you would be the right person for the position to scott.mc.acuitymgmt@outlook.com

Reed and Barton is an equal opportunity employer.
