## People Incorporated recognizes its own Brayton awardees

**WESTPORT, MA (December 2, 2021)** – On Thursday, December 2, One SouthCoast Chamber of Commerce held its annual meeting along with the presentation of the John S. Brayton Community Service Awards and the Apex Awards. The event was held at White's of Westport.

The Brayton Community Service Award recognizes volunteer participation of extraordinary nature. Among the eight Brayton Award recipients, three have a connection to People Incorporated. Peter Daley is the Director of Public Relations at People Incorporated, and Julie Ramos-Gagliardi of BayCoast Bank and Andrea Rodrigues of BankFive serve on the committee for the Agency's new preschool project.

"People Incorporated has such a strong impact in our community that it's no surprise those affiliated with our Agency are volunteers in so many causes and initiatives," said People Incorporated President & CEO Megan Stirk. "I sincerely congratulate Peter, Julie, and Andrea – and all award recipients who were honored at the event. Each one is well-deserved."
