About the Old Colony History Museum:

The Old Colony History Museum houses significant collections which chronicle lives lived, wars waged, fortunes won and ingenuity rewarded. We encourage visitors to walk among our exhibits and discover regional history. The Museum's parent organization is the Old Colony Historical Society, one of the oldest organizations of its kind in New England. Founded in 1853, it serves the region of southeastern Massachusetts that was once part of the Plymouth Colony.

The Old Colony History Museum is located on historic Church Green in Taunton. The Museum has its headquarters in the former Bristol Academy, designed in 1852 by the New York architect Richard Upjohn. Regular Museum hours are Tuesday-Saturday from 10 a.m. to 4 p.m. Admission to the Museum is \$5 and free for Museum members.
