

# Can you put a young person to work when someone else pays them to work for you?

## FREE – 125 hours of work

About 25hr/wk, over 5-6 weeks this summer

(we are interested in hearing about in-person and virtual work-based opportunities)

As a community minded business, this summer you'll provide:

- a subsidized placement for a 16-21 year-old, income eligible **YouthWorks** participant
- a meaningful and potentially life-changing work experience for a Taunton youth
- a supervisor who treats this **YouthWorks** worker like any other new employee

*with support from Taunton Area School to Career (TASC),  
a premier Career Development Education Program for youth!*

Sample work hours: (can vary per site/worker)

- 8am - 2:45pm, Mon - Thurs
- 7am - 3:30pm, Tues – Thurs
- 9am - 3:45, Mon - Thurs
