

Gwinnett Online Campus Arrival & Dismissal Plan

ARRIVAL - Drop off begins promptly at 8:30 a.m. for Core and Learning Labs. Please do not drop students off prior to this designated time; GOC does not have adequate staff designated to monitor students. For the safety of all students, they should not be dropped off outside the school waiting for the doors to open.

DISMISSAL – Dismissal begins promptly at 12:35 p.m. All students should be picked up within 15 minutes of dismissal time. After that students will be sent to the Connect Corner and parents will need to park their vehicle and come inside to pick-up their student.

Please maintain one lane of cars in the front of the school and pull forward as far as possible along the front driveway. Remember, we can **never block Hi Hope Road** or pull in the grass area waiting for dismissal to begin. If the front lane is already full, please utilize the Hurricane Shoals side parking lot and wait until the lane begins moving. Then, proceed to the car-rider line to pick-up your student. Parents should not park and walk up to the school to pick-up students during car-rider dismissal.
