

# Housing Interview

If you needed a new house to live in, what kind of place would you like? What is important to you? Choose between each pair of options. And then ask your partner.

	Me	Partner
Near a park		
Near a train station		
Old house		
New apartment		
Quiet street		
Busy street		
Nice view		
A garden		
Has furniture		
No furniture		
Big rooms		
Big windows		
Wi-fi		
Kitchen		

Example housing report...

My partner wants to live near a train station so she can travel anywhere easily. She wants to live in a new apartment on a busy street. She says it is more convenient. etc....

I agree with her because I want to live in new apartment too. But I disagree about living on a busy street. I think it is too noisy.....etc.

**After interviewing your classmate write your own short report.**
