Notes to the Teacher

This word search puzzle can be done 3 ways.

1. Give students the puzzle with the word clues provided.
2. Give students the puzzle without the word clues and then dictate the words.
3. Give students the crossword puzzle Weather Conditions (provided in a separate upload) first. Once students have solved the crossword. They can use the answers to fill in the clue section.

Solution

The more rain , the more rest ;
fair weather's not always best .
