

# Signs of Spring

Spring begins in March. Brainstorm the signs of Spring with your students. Have students fill in the blank next to each picture. Answers will vary according to your geographical location.

\_\_\_\_\_ start to push  
through the ground and you can  
see new \_\_\_\_\_.

Birds build a \_\_\_\_\_  
and will soon lay \_\_\_\_\_.  
Baby birds will \_\_\_\_\_ from  
the eggs.

The weather is often  
\_\_\_\_\_.  
You need to take an \_\_\_\_\_  
with you when you go out.
